DINNER AND DANCE:

CSC Takes a RETROSPECTIVE Look!

It was CSC's last event of 2014 and of course we spared no expense and went all out. The one-night-only extravaganza was held on Wednesday, 31 December 2014. The theme? Rollin' Good Times!

Fronting the entrance of Stamford Ballroom, Fairmont Singapore, were two mammoth billboards featuring Elvis Presley and Marilyn Monroe. The two pieces of art were given the eclectic Andy Warhol treatment and they were the sight that greeted merrymakers as they arrived. CSC evoked nostalgia through games at the foyer such as Tikam Tikam and a free flow of kacang putih. Oversized quirky sunglasses, bandanas and party hats — yes, the retro-themed party was in full swing!

Transported to a bygone era

Clad in a leather jacket, emcee Jesson charmed the crowd with his endless banter. The audience also had to rack their brains and identify the erstwhile boxing champion of the 60s, legendary comedian of the silver screen era, and other beloved personalities of yesteryears.

For a retro-themed night, it would be unforgivable to not include the biggest pop star of the millennium: Michael Jackson. A trio of young dancers took to the stage and paid tribute to the pop legend. They led the crowd through the famous Thriller choreography — many claw-shaped hands were poised in mid-air!

The night was replete with entertainment. Donning a stunning red gown, Suzie Wong serenaded all with timeless tunes such as 夜來香, 一見你就笑 and Stupid Cupid. Vivian, who hails from Sichuan, dazzled the audience with her "quick-change" performance. Instead of costumes, she used umbrellas of various shapes, sizes and colours. Kiki Tay also put up a psychedelic performance that featured a multitude of LED lights.

After Kiki Tay's performance, the Emcee brought everyone to the dance floor, spinning popular songs of yesteryears. Members and guests had the opportunity to showcase their latest dance moves mastered from dance classes. There was also a segment of line dancing that led to the dance floor brimming with happy participants.

Minutes before midnight, the dance floor was crowded with merrymakers, all eager to usher in the new year. As the clock struck midnight, the LED stage backdrop featured an explosion of fireworks and loud cheers rang out filling the entire ballroom with cries of "Happy New Year" as everyone hugged and shook hands with one another. It was a sight to behold and to remember — it is moments like this when no one is a stranger to each other.

Following the countdown, the much-anticipated final lucky draw for the top five prizes took place on stage. The first-prize winner walked home with a pair of Singapore Airlines tickets to Paris! There was also the Diamond Draw where two very lucky winners won for themselves a diamond pendant each! It was indeed a night to remember. As the members and guests took their leave, it was evident by the smiles on their faces that they enjoyed themselves that evening. Here's wishing one and all a wonderful 2015!

CSC organises the countdown event every year. For those who have missed out on our year-end party, please look out for the publicity in the third-quarter of the year for registration details! We look forward to seeing you!

We would like to thank our generous sponsors
